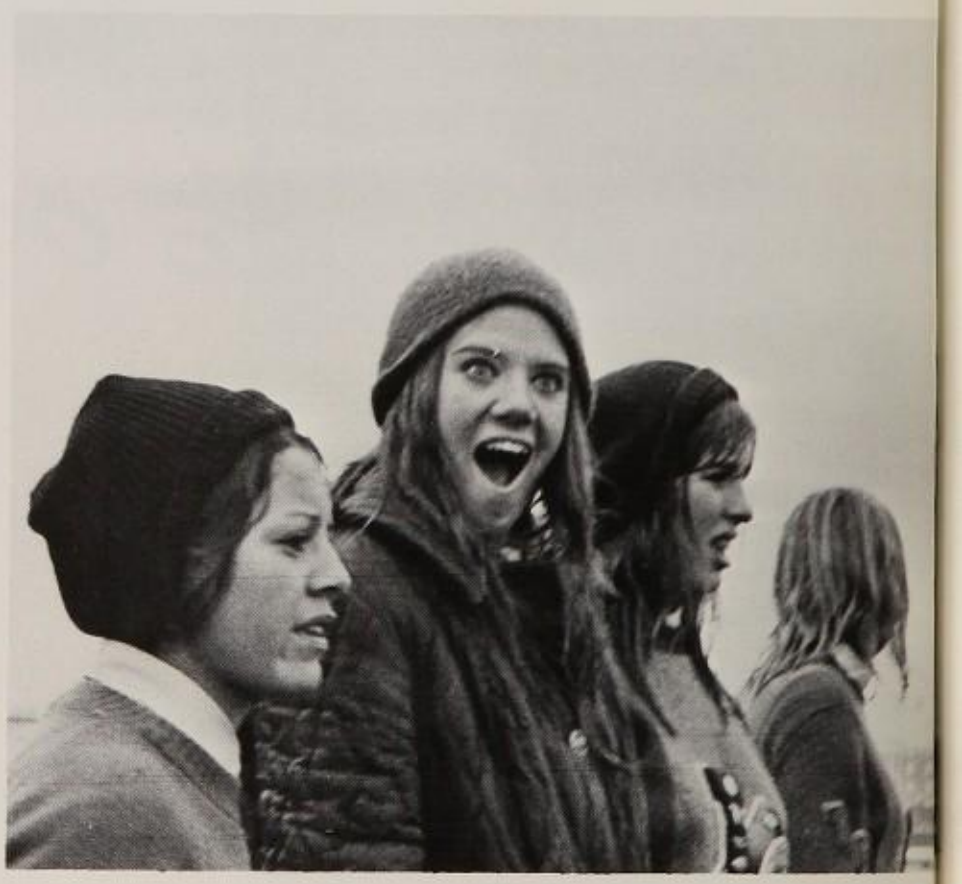
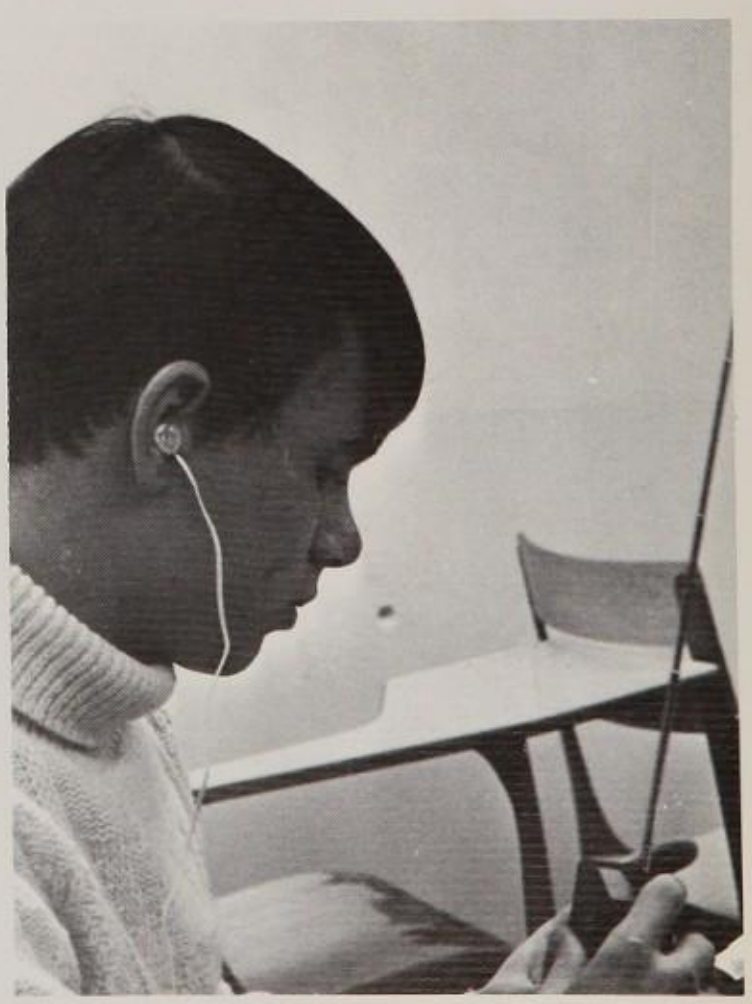
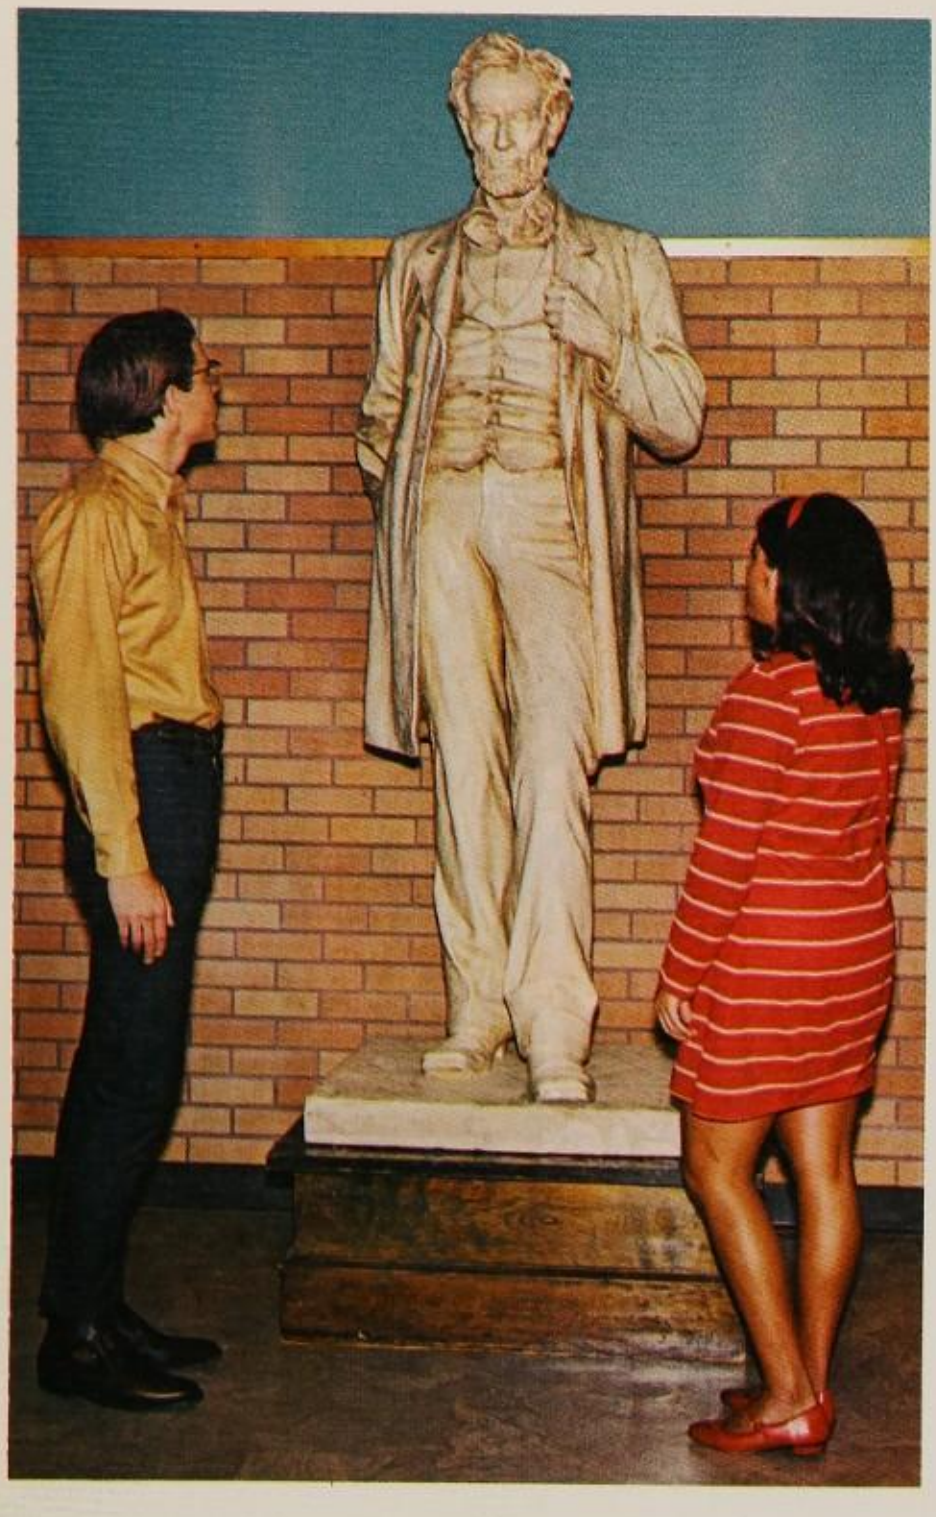
GIVE US ONE
BIG FIGHT



WE THE Pom-Pon GIRLS
welcome U the Sophs

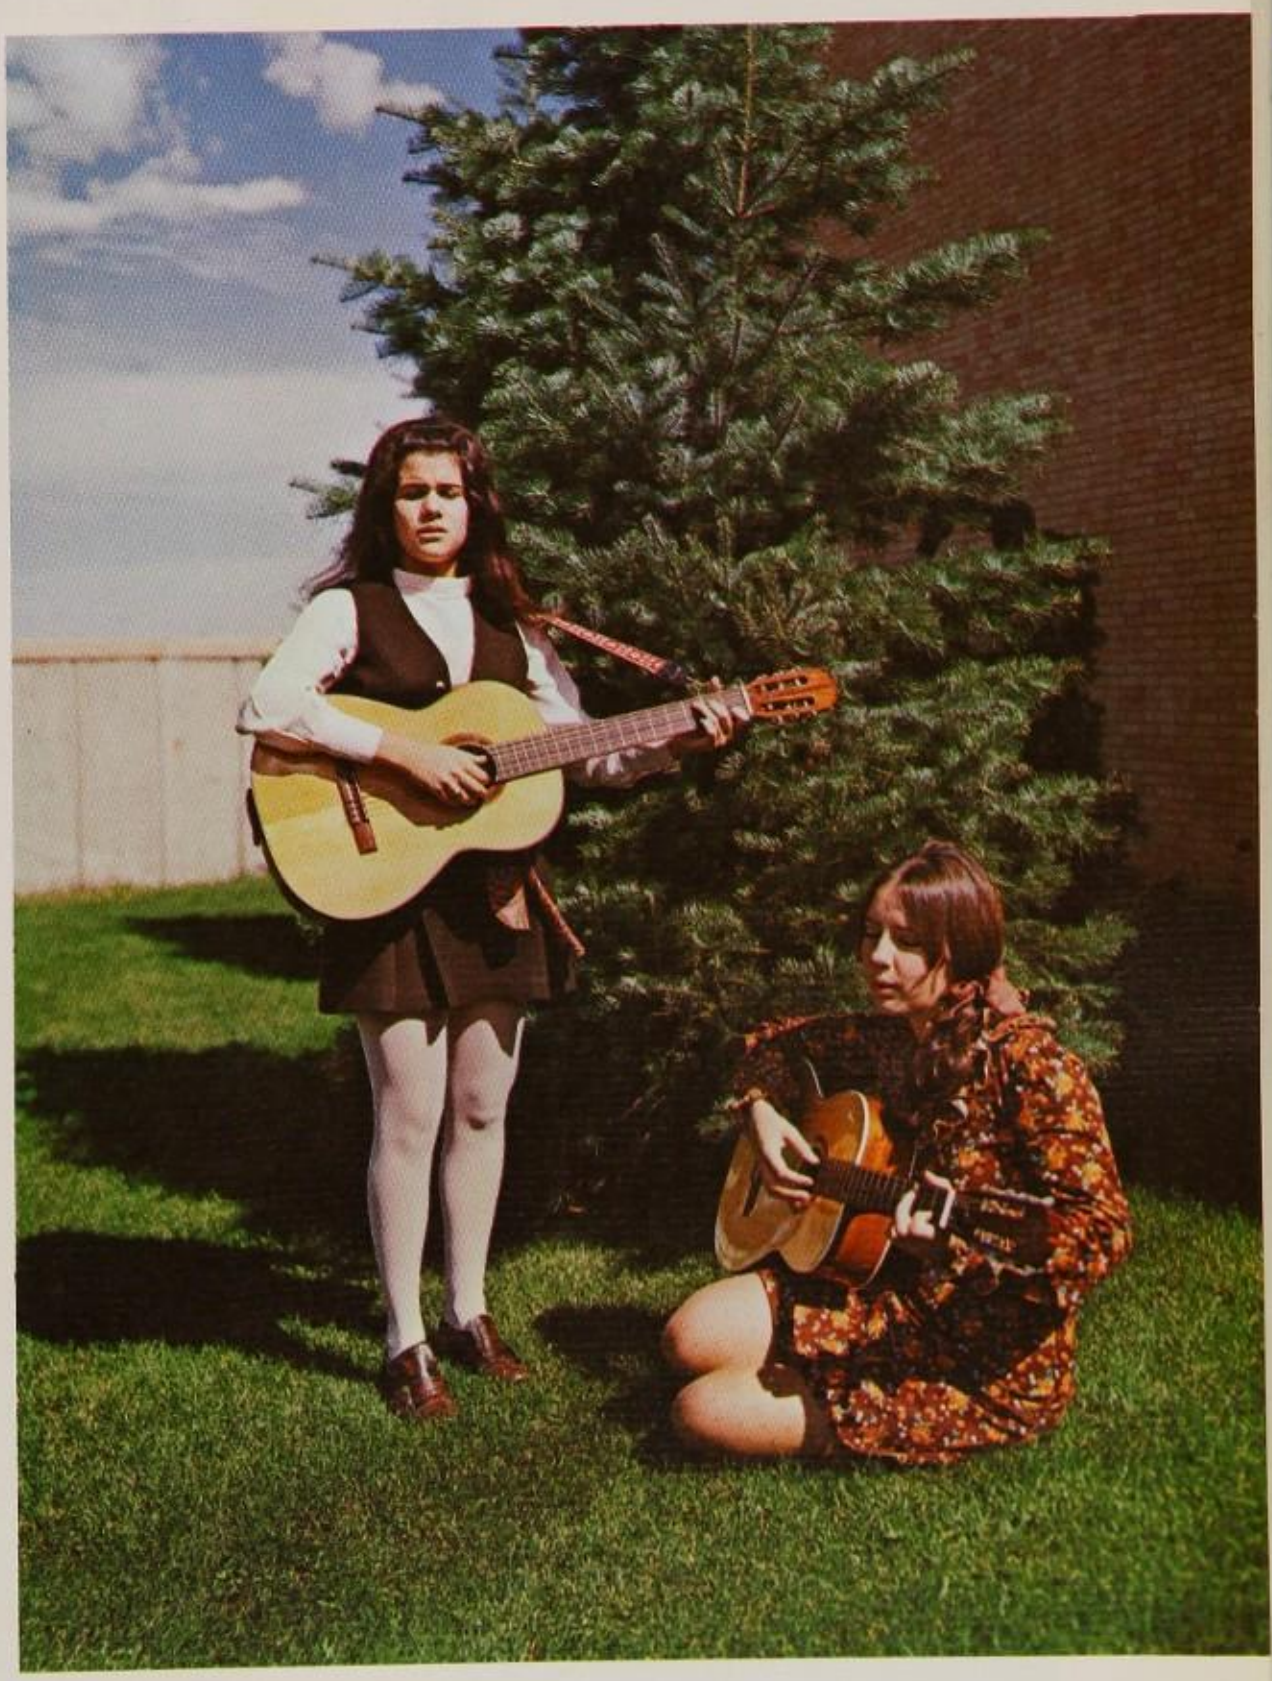




Stand tall — Reach high!
You personify
The image of god above!
Be glad you are you,
Lay claim to your due
Of glorious life and love.
— Marshall

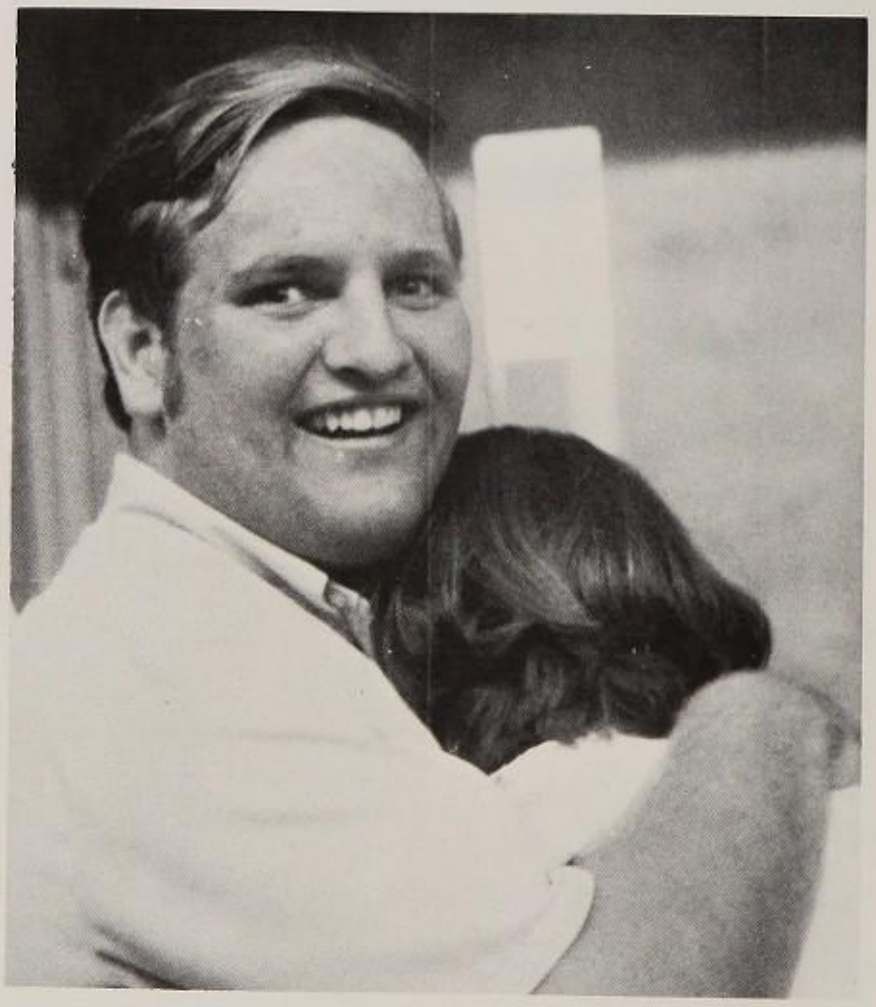
are you
so afraid
to care
to show your
love,
why can't mankind
learn to
be honest,
to love freely.
i ask you
to look at yourself,
what are you
a plastic
mold of
society
unable to
reach out and help
a human in need.
are you so perfect you have
the right to judge others.
my dear love learn to feel.

— Shank



They condemn that
which they do
not understand.

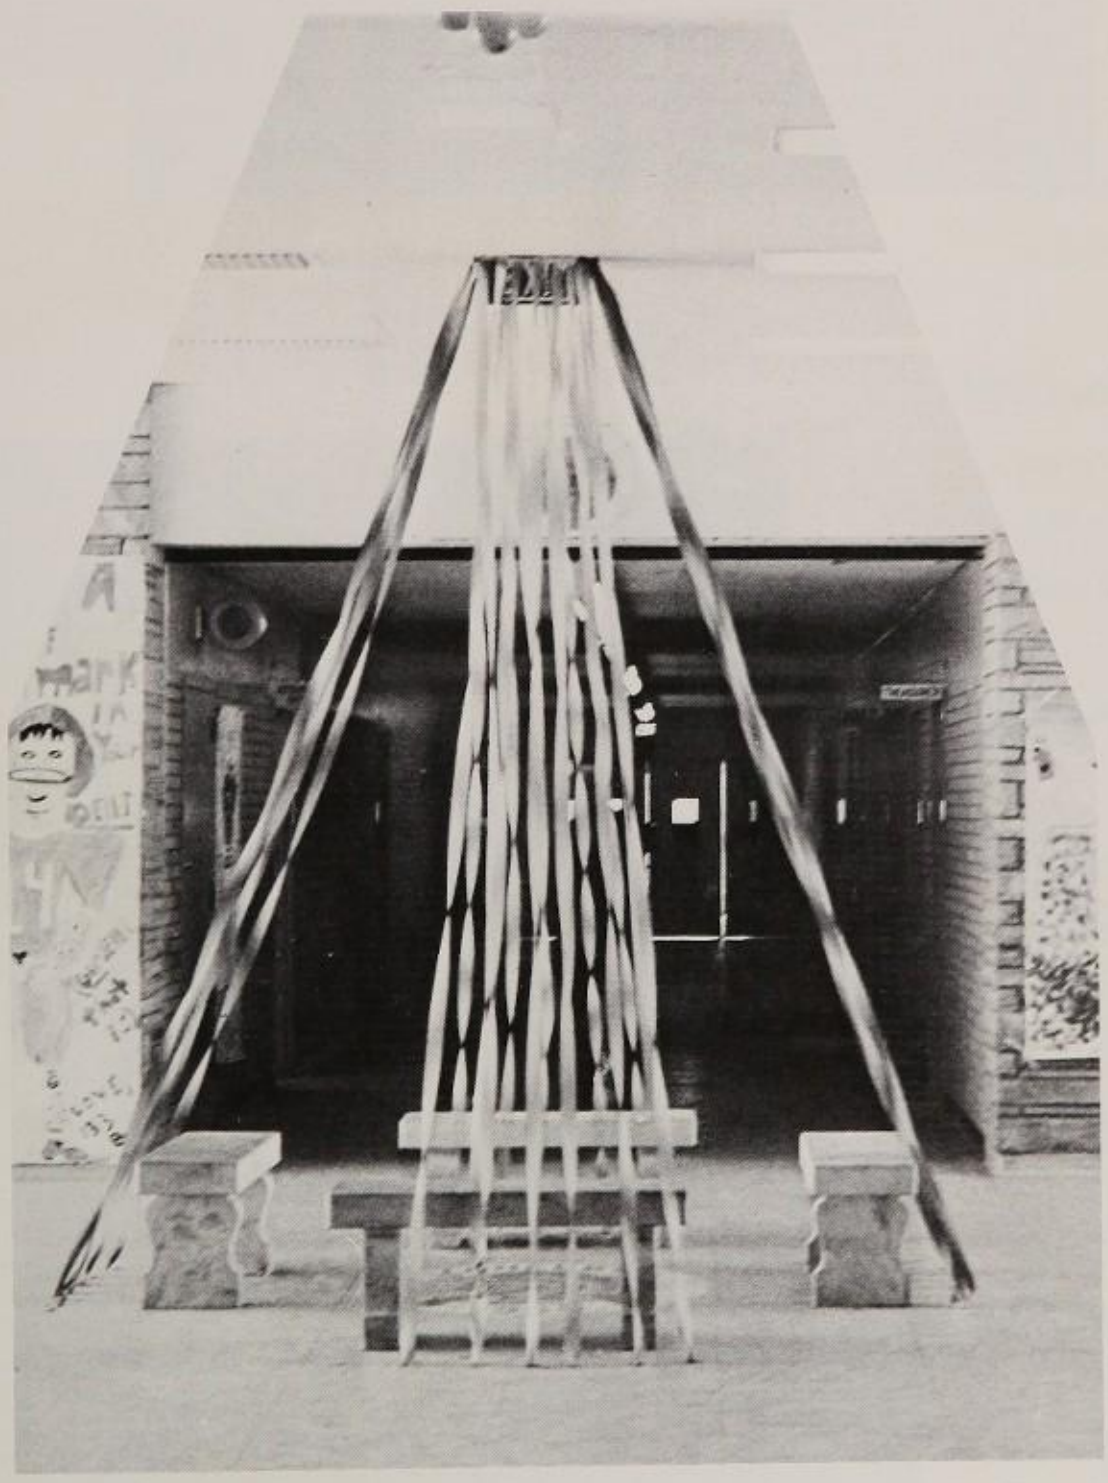
— Quintilian



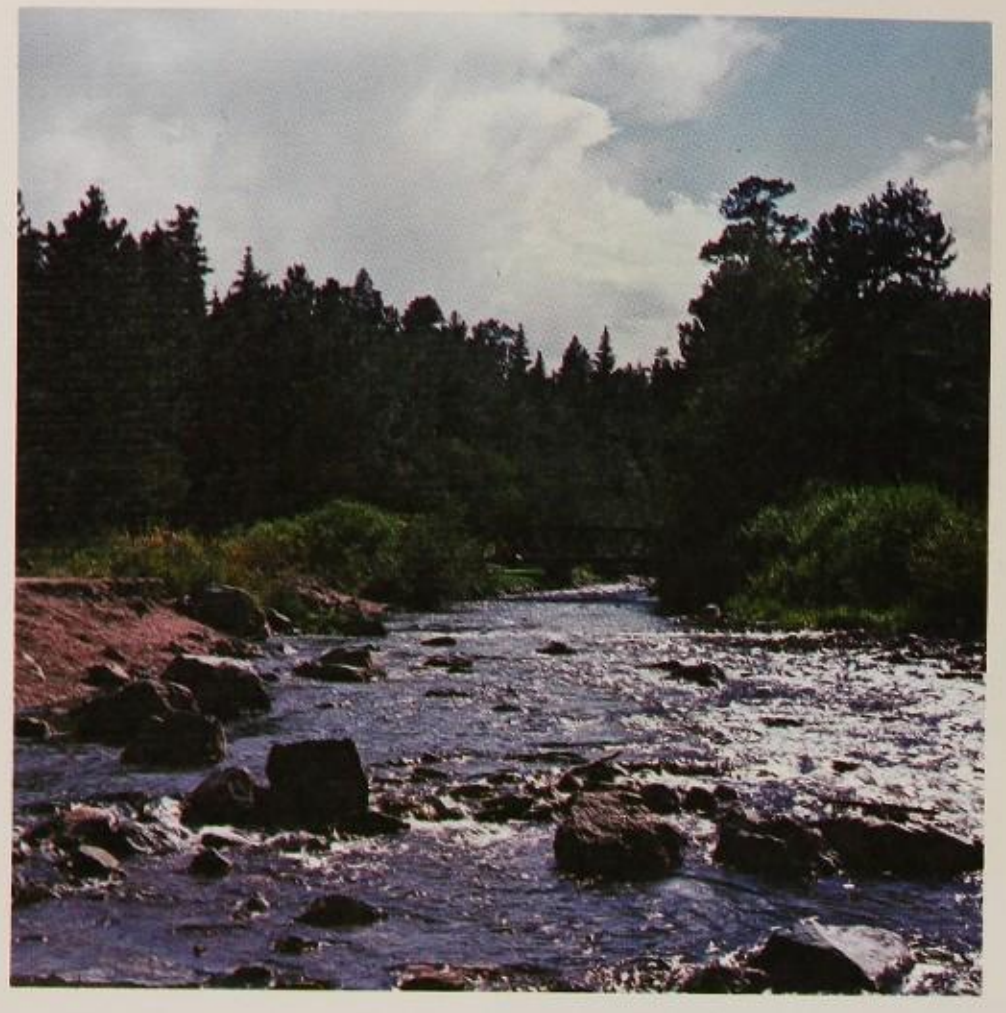
If you want to be loved,
be lovable.

— Ovid

People
freely and
easily believe
what they want to believe
— Caesar



There is no
complete pleasure,
for some cares
always disrupt
our joys.
— Ovid



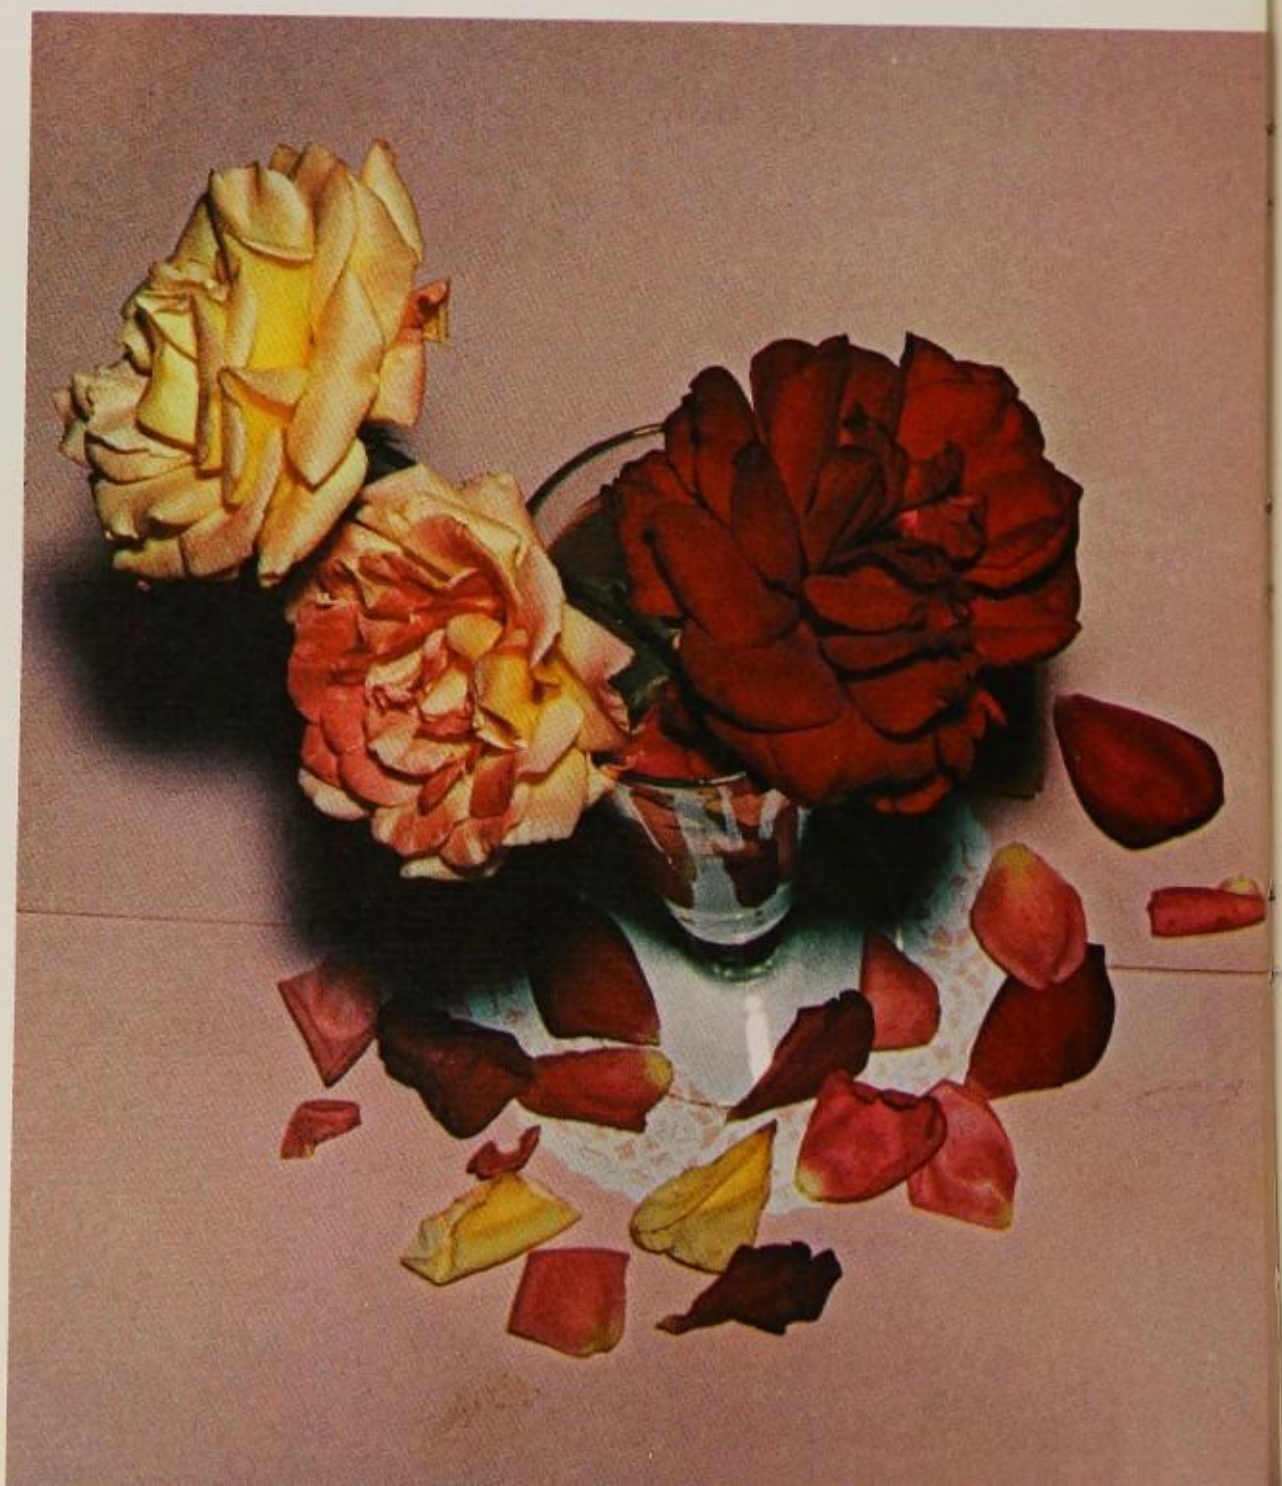
You say there is no proof that
God exists,

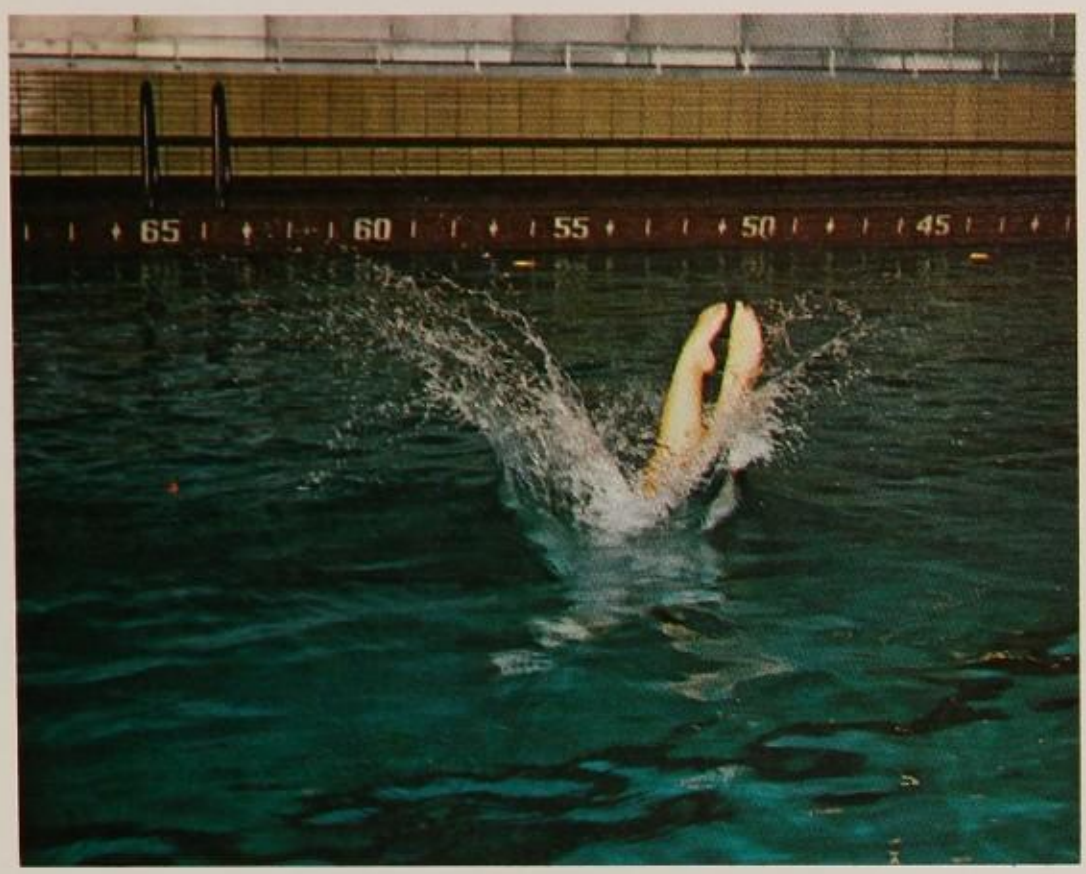
'Tis but a supposition —
no one knows.

Oh, but you're wrong my friend,
so very wrong,

There's proof enough, I know,
I've seen a rose.

— Marshall





You talked yourself up.

And you told others of
how you were to
contribute to the
world.

You did a lot for
yourself, leaving
others always in the
back of your mind.

What did you contribute?

A helpless body for us
to bury when you left.

— Van Horn

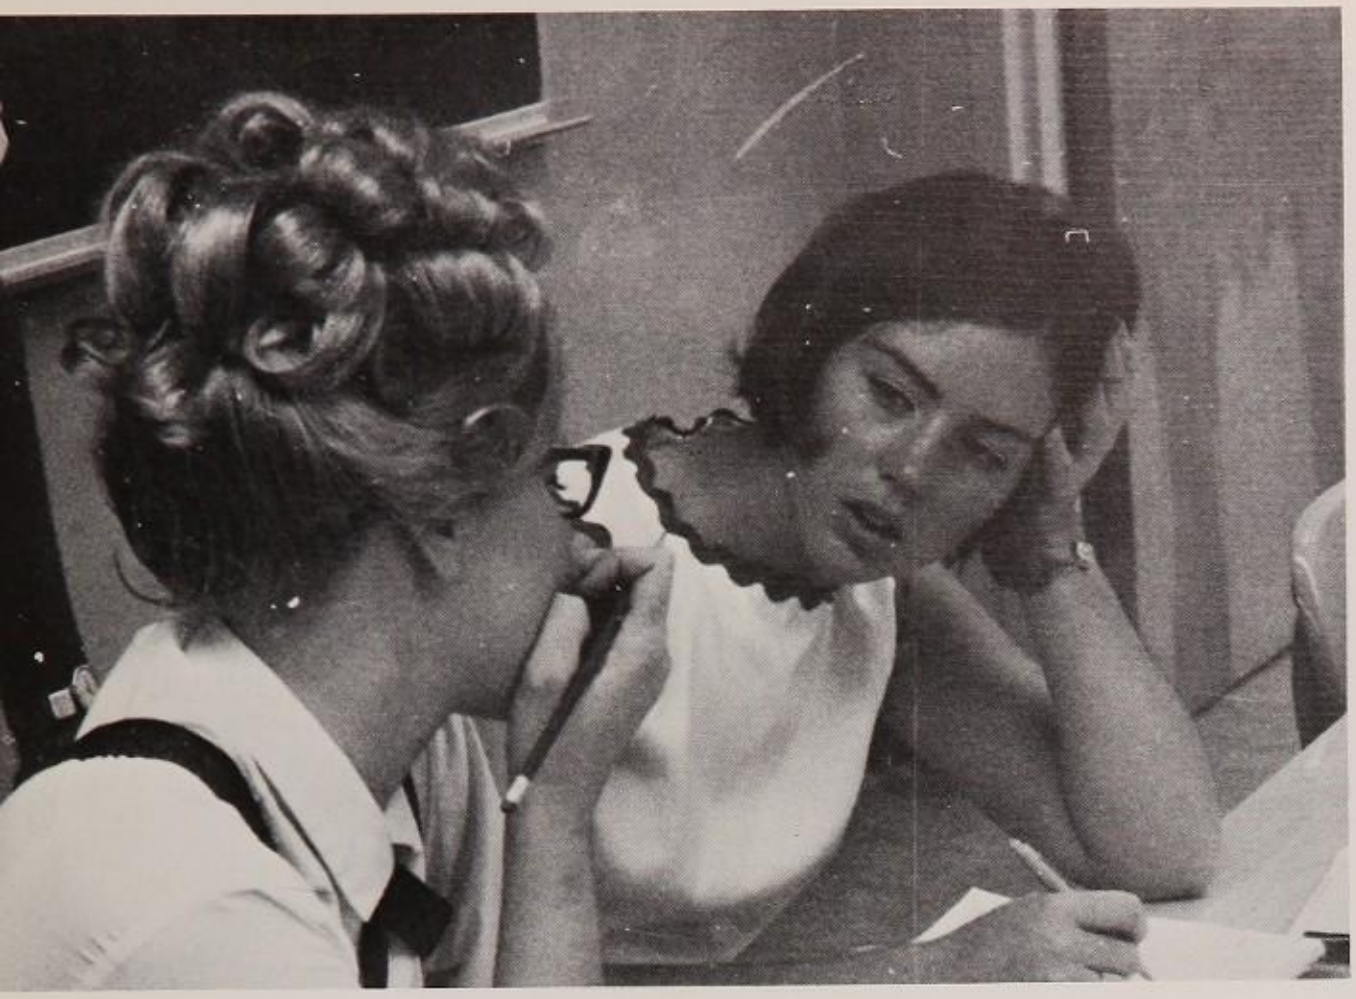
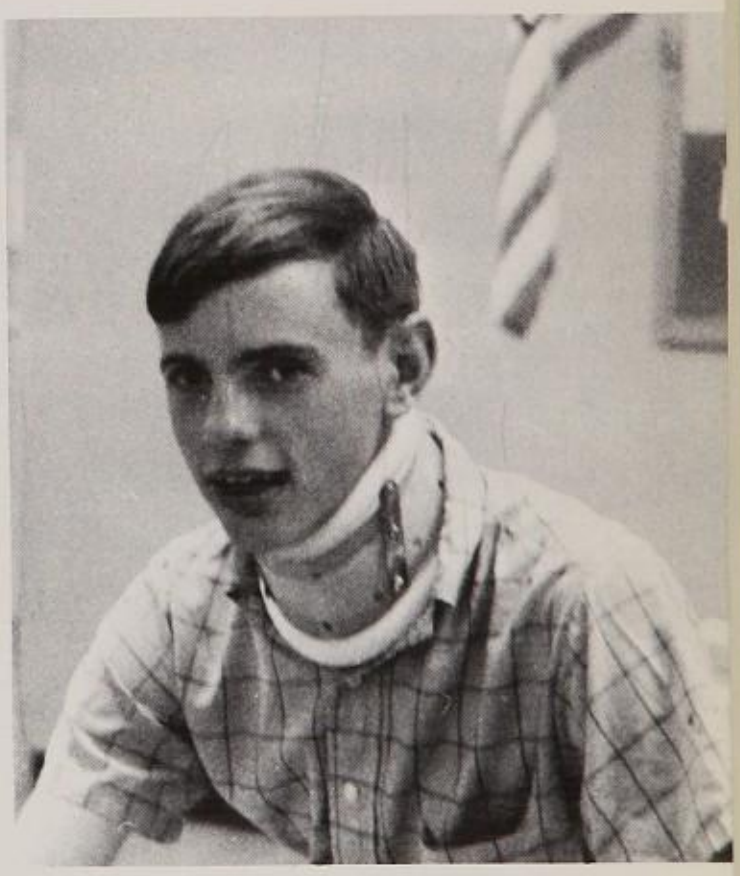
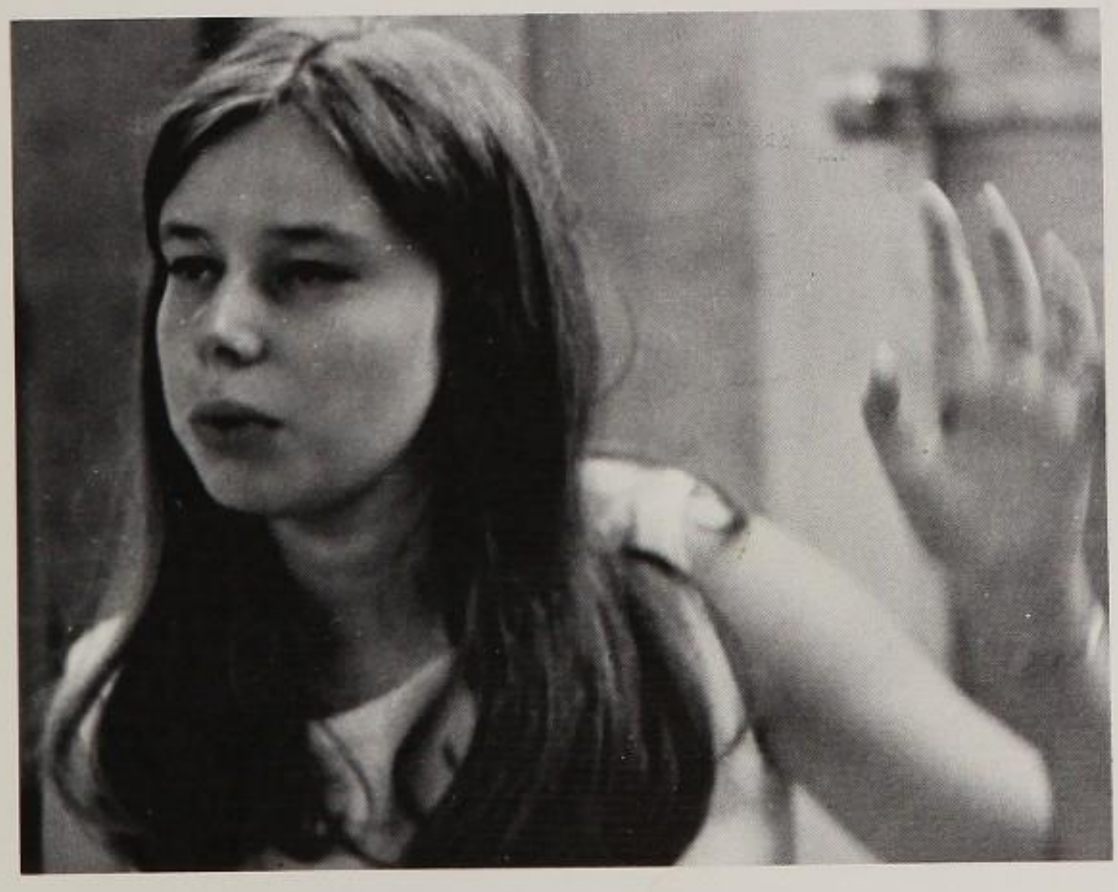
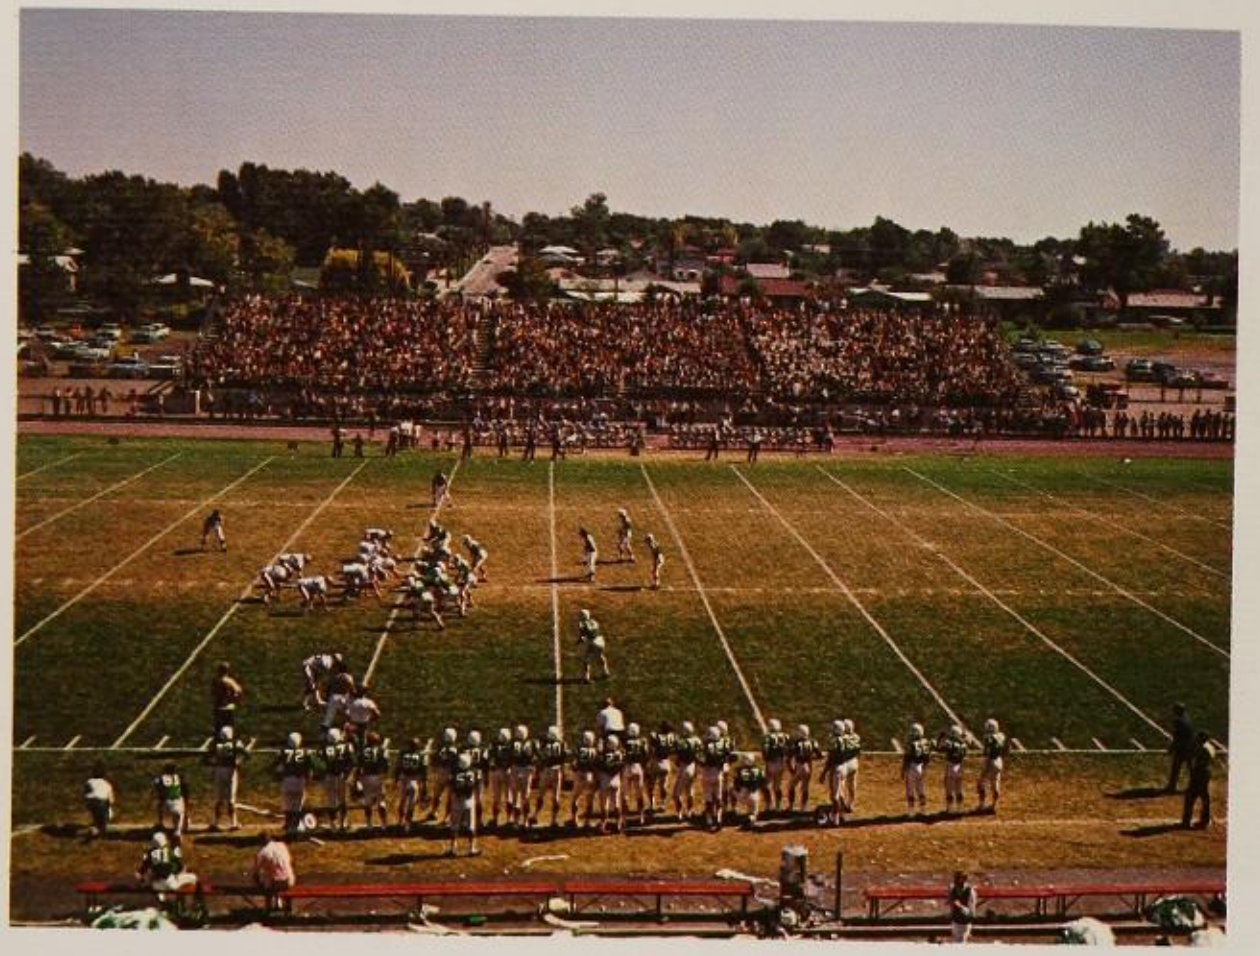
HOW THE WEST WON









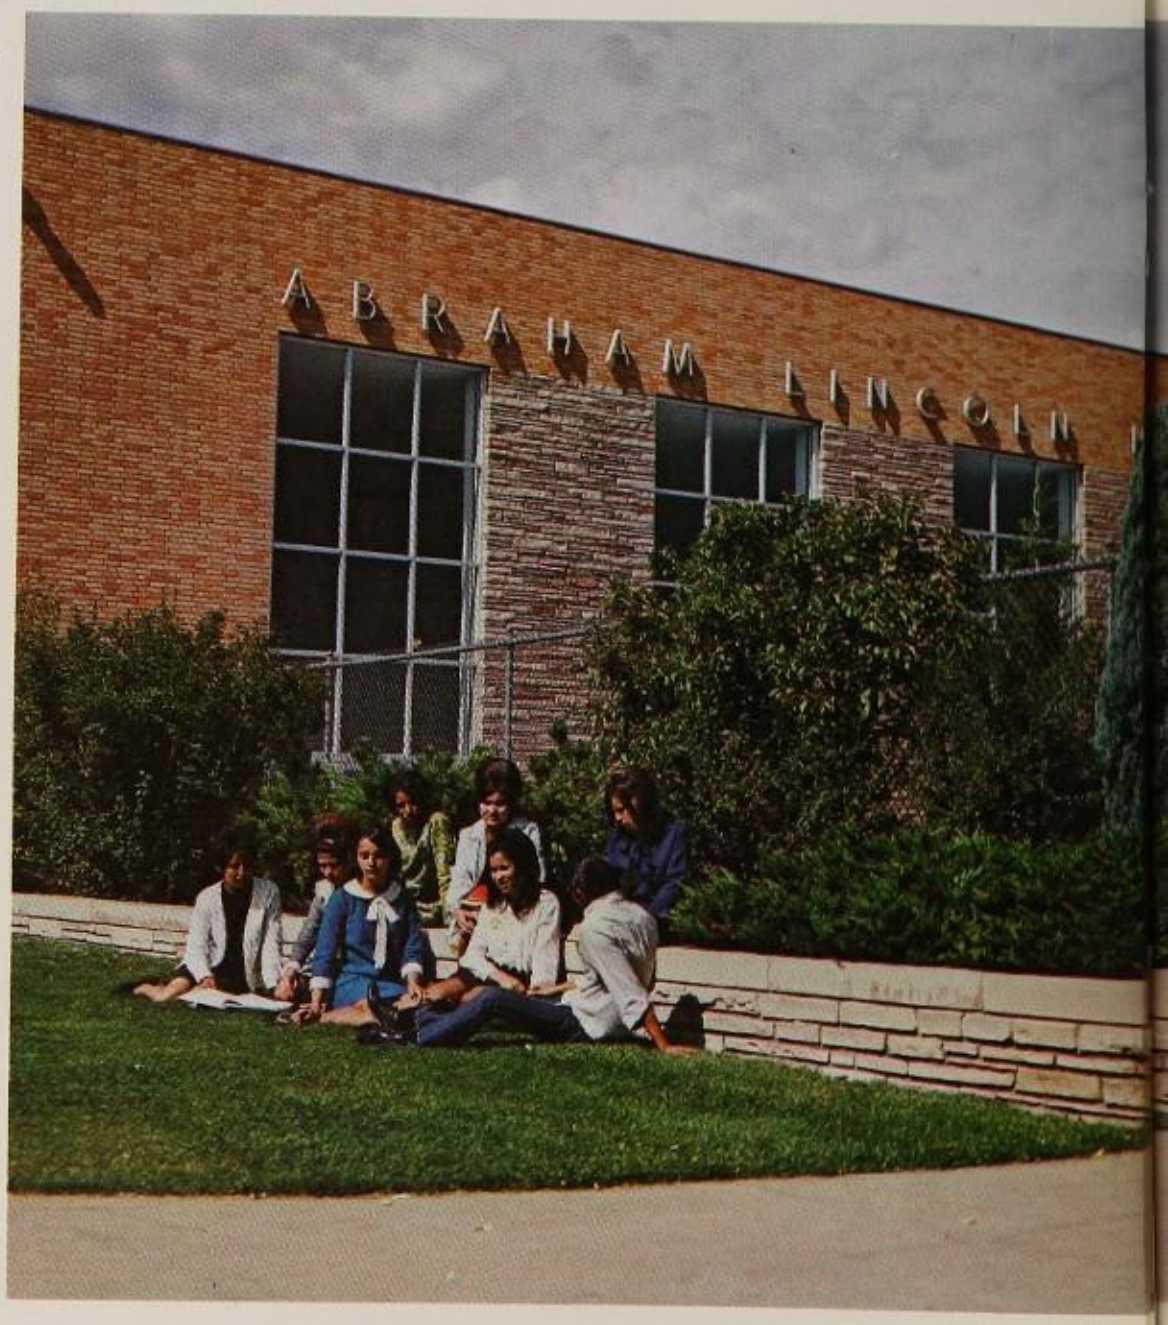
Reach High! The best is always
kept

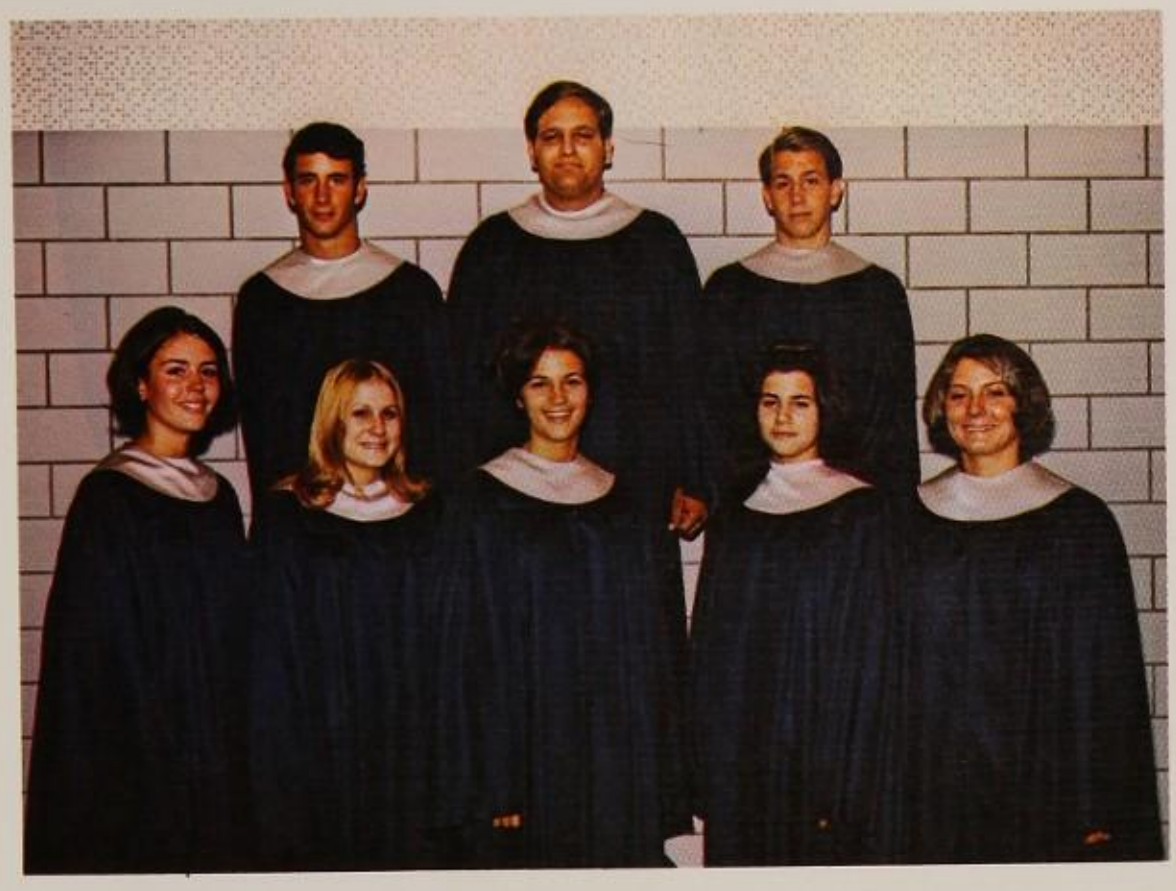
Upon life's topmost shelves

But not beyond our reach if we

Will reach beyond ourselves.

— Marshall





Individualism is not lost in a group;
But is found in a group.
For individualism is realized
Through a person's ability
To stand upright in the midst
Of other strong individuals.

Faculty

The Faculty section is dedicated to those teachers new to Lincoln this year. We are proud to claim Miss Sandra Shandinger, Miss Carol Lucas, Miss Beverly Rhodes, and Miss Memory Wasmuth as new Lincoln Lancers. As always, we are glad to see the familiar faces of our former teachers. A special thanks is extended to those faculty members who make an extra effort to help students through sponsoring clubs, chaperoning, and supporting our athletic events.

Sports

We are proud to dedicate the Sports section to those athletes who are sincerely dedicated not only to winning the game for the Lancers, but to Lincoln, itself. They are not interested in personal glory, but in the glory of their high school. You'll never hear these Lancers say "I did it!", but always "We did it!" These athletes give their time, their effort, and themselves as a whole. They go all out to award Lincoln with another hard-earned victory. Athletes, your hard work is always appreciated!

Lincoln High Lancers — **GREAT**

"Good game, Coach!"

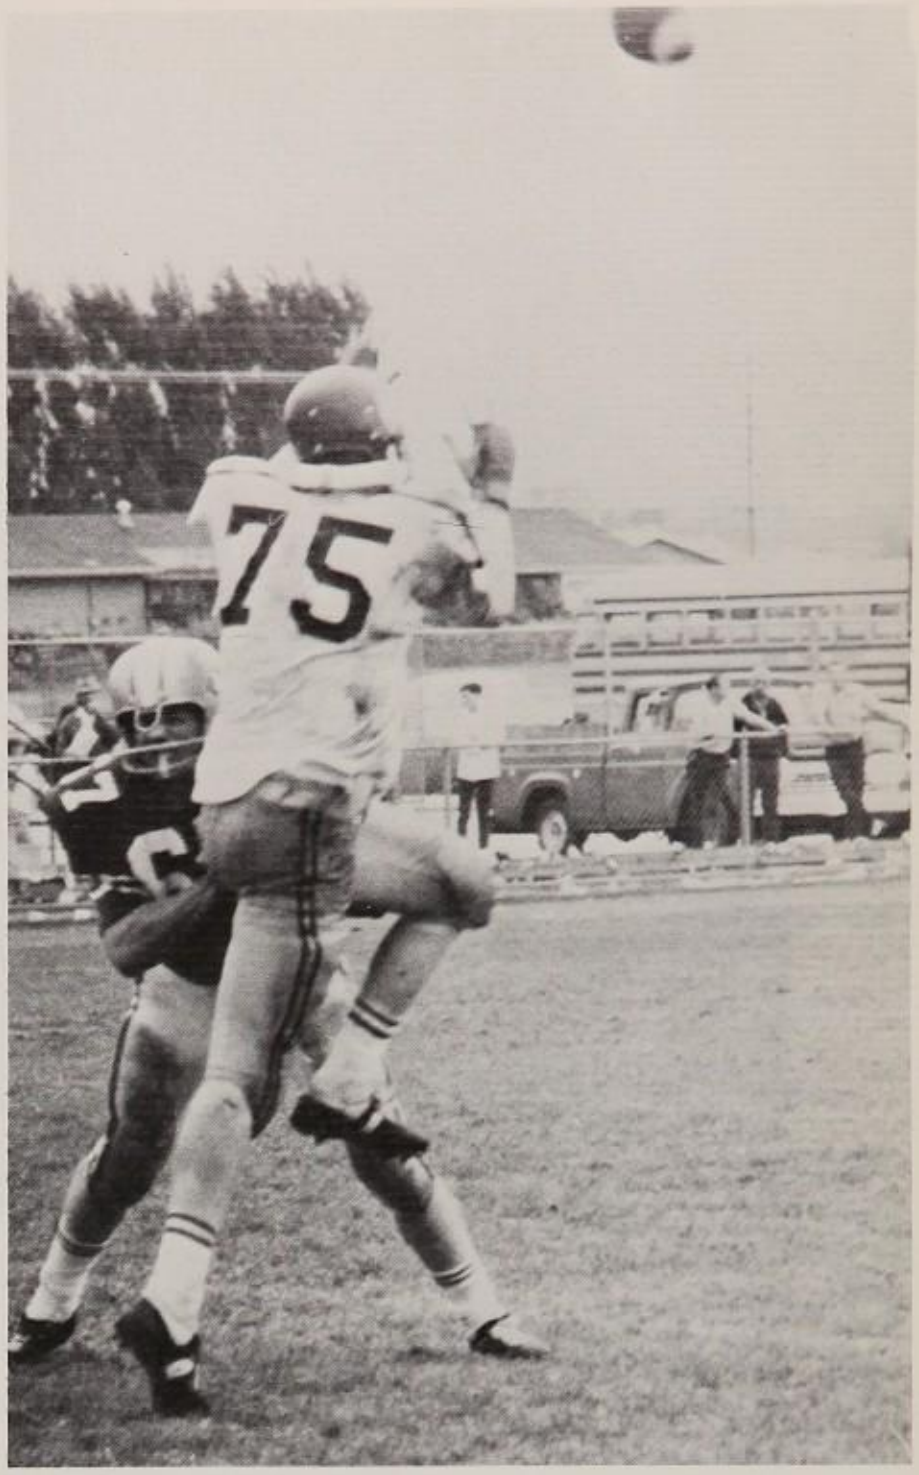
Lancers Topple TJ To Take the Title

Lancers preparing for another victory.

Lancers conquer all.

How sweet it is!

Ware has plenty of time to look for receivers.



Caught in the act.

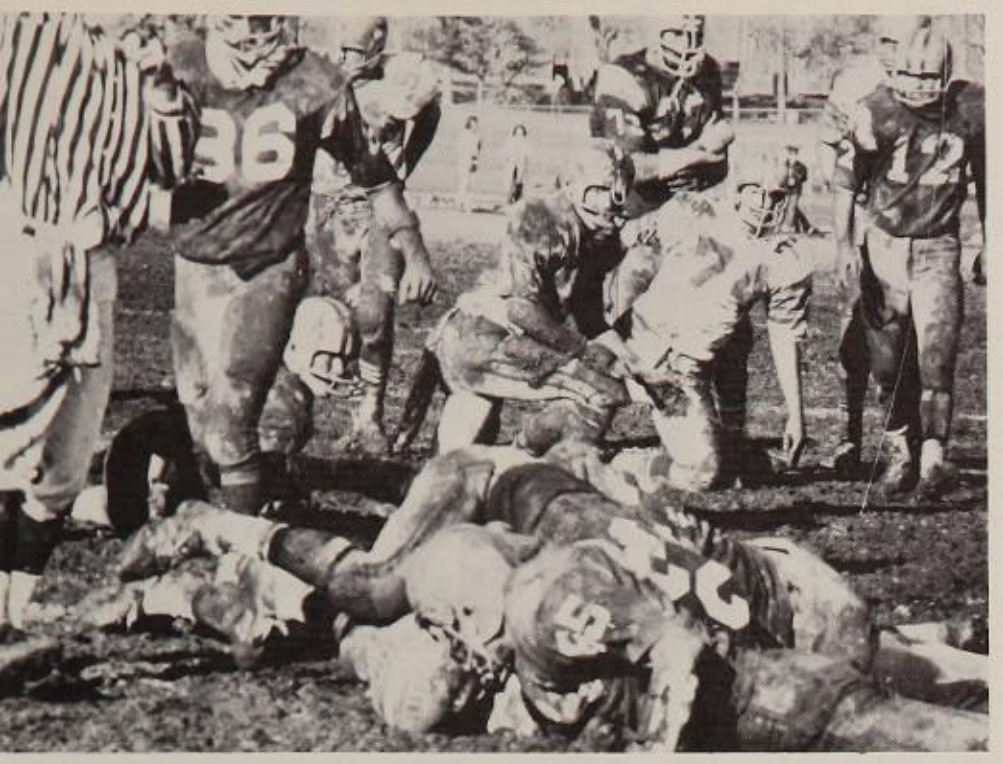
Ware gets off a pass in the knick of time.

Cue finds some daylight.

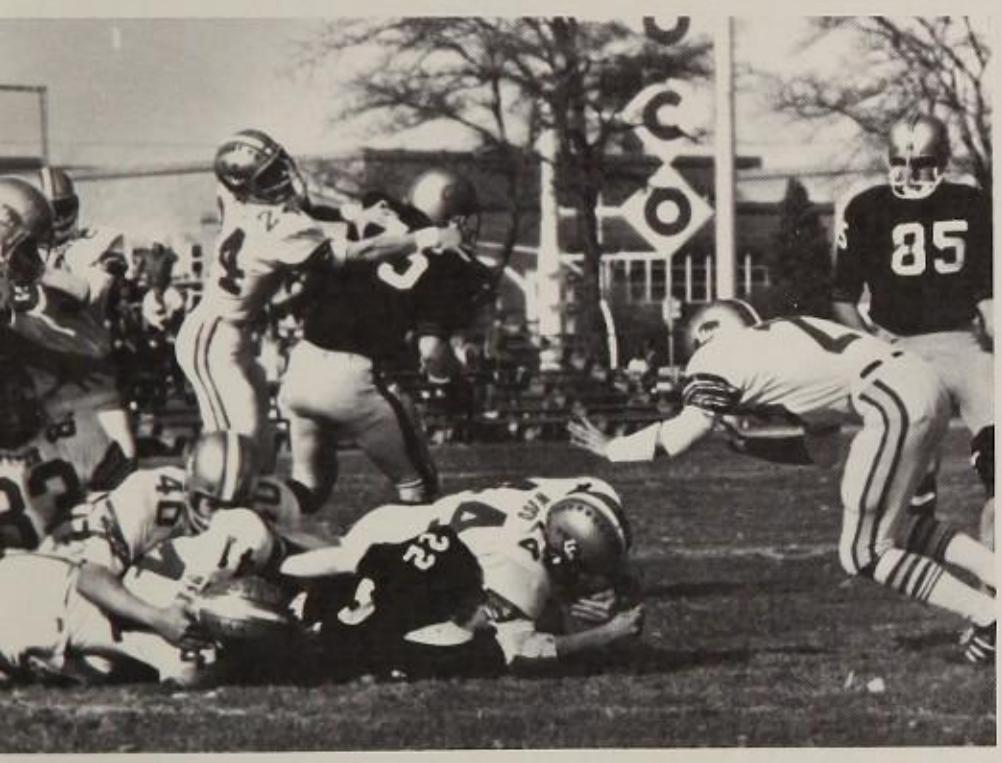
Our mighty defensive line ...

Smashed them every time.

Mighty fancy catchin;



Lancers show those dirty Spartans.



That was the week that wasn't.

Hey, Lancers! Didn't we have a tremendous football season this year! It was a first in our school's history and something we'll never forget as the season started well when we beat highly-ranked Pueblo Central 19-6. League games were just as great with our 41-6 win over East. After we shut out North 34-0, we all knew this was going to be a winning season. Our next game was with GW. Sports writers called this one of the better defensive games of the year as the Lancers and the Patriots battled to a 0-0 tie. Snow kept us from playing a non-league game against Golden the next week, but it gave us time to prepare for a great game against Kennedy the week after. Even though we played one of our poorer games, we easily got the Bronze Derby back by winning 21-12. We showed "How the West Was Won" the next game, and our Homecoming was successful. Our next game was a heart-stopper ... against South. All year everyone was looking ahead to the TJ game, and we had to win this one before we could ever hope for the City Championship. Now the nerves were more tense than ever. The team, luckily, was more confident than nervous, as we tromped 20-13 over TJ. Because of snow, the game was played on Tuesday, so we had little time to get ready for Manual and lost 27-24. In Lincoln's first State Championship game, the Lancers were defeated 40-14.

Team captains were Lyle Gonzales, Mike Lopiccolo, and Curt Ufkes. Steve Mendez was named to the All State Team. All-City players from Lincoln were Gene Garner, Lyle Gonzales, Mike Looney, Mike Lopiccolo, Steve Mendez, Rich Ware, and Gary Wood.

That's all, folks!!

Sophomore Baseball

Coach: Jack Girtin

Sophomore athletics at Lincoln High School during the 1969-1970 school year seem to indicate that the next couple of years will be very productive.

The tenth graders compiled a 7-1 record in football. The lone loss was a 1 pointer to the Manual yearlings.

Other fine records in basketball and baseball point to progress in the future.

Many of our sophs have already stepped into varsity competition and we expect a great deal of them in the future.

Royalty

We would like to dedicate this section of our annual to the parents, teachers, and friends who have all made a contribution in molding us into the individuals we are now. We want to thank them for their help when help was needed, their laughter in happiness, and their tears in sorrow.

These people have helped us form our opinions, our likes and dislikes. They've cheered us on and given us encouragement; they've criticized us and discouraged us from doing the wrong thing by their standards. Sometimes they were wrong and their ideas old, but they're human and can make mistakes, too. Whether right or wrong, they're doing their best, and we will always appreciate their concern and guidance.

Though we travel the world over to find the beautiful, we must find it in us or find it not.

Colors of gold and royal blue helped to provide a Near East atmosphere that accented the theme of "This Magic Moment" at the 1970 Senior Prom. The stereotype dance, typical of Lincoln, was eliminated when the newspaper staff began to use the idea of free expression, so characteristic of the 1969-1970 school year.

Using the pixilated colors of lime green, international orange and purple, will (hopefully?) start a new trend. They sold peppermint sticks and foods pertaining to the different zodiac signs. To create interest in their theme "Signs of the Zodiac" they sold zodiac pennants and posters.

The 1969-1970 inauguration of royalty was Queen **Susie Mosier** and King **Adrian Duran** with **Joyce Nakata, Steve McClean, Andrea Edwards,** and **Eric Kast** attending them.

With the newspaper staff's effort to provide a unique dance, students were certainly given a last chance to end their apathy toward Lincoln's social events by attending the last dance of the year; Color Day Dance.

Album

The Album Section in this year's President is dedicated especially to the Seniors, the Class of 1970. It has been a long, hard haul; and it seemed like a never-ending chore to get out of bed and go to school every day. Somehow, though, when you look back, it was worth the constant struggle, and Abraham Lincoln High School will be among the fondest of your memories.

After graduating, some of you will be going on to college, some into a specialized school, some will get married, and some will be going into a profession. The faculty of Lincoln and the rest of the student body wish you happiness and success in whatever you decide to do.

Ignorance is
the greatest
evil.

For every minute we are
angry we lose sixty
seconds of happiness.

If I glorify myself,
my glory amounts
to nothing.

Knowledge can
only be founded on
experience.

We have grasped the mystery
of the atom and rejected the
Sermon on the Mount.

It is the civilized
who are corrupt.

Time is a sandpile
we run our fingers in.

Any fulfillment is a bondage. It drives us to a higher fulfillment.

Nature does not demand that we be perfect. It requires only that we grow.

The weak who know how to play on their weaknesses are strong.

Nothing has more lives than an error you refuse to correct.

Everything you do returns to you, so why don't you love?

Your joy is your sorrow unmasked.

He that knows not, but knows not that he knows not is a fool, shun him.

He that knows not, but knows that he knows not is a child, teach him.

He that knows, but knows not that he knows is asleep, awaken him.

He that knows, and knows that he knows is very wise, follow him.

Remember Yesterday

Remember yesterday when it was your first day in high school, and you thought you were a big hot shot?

Remember yesterday when your naturally curly hair got wet when you had swimming class?

Remember yesterday when you had your first choir performance, and you almost fainted?

Remember yesterday when the teacher caught you writing a poem to your girlfriend and she read it to the class?

Remember yesterday when you were making out in the hall with your girlfriend and you got sent down to Stuckey's?

Remember yesterday when you almost got in an accident in Driver Training?

Remember yesterday when you got two E's and didn't know the report cards were mailed to your parents?

Remember yesterday when you stood up for what you believed, and everyone admired you?

Remember yesterday when you hated your Psychology class, and your counselor wouldn't let you drop it?

Remember yesterday when the football team won their first City Championship and everyone was proud to be a Lancer?

Remember yesterday when Dr. Brainerd approved the Open Lunch Policy, and no one ate in the lunchroom?

Remember yesterday when the teachers went on strike and we didn't have to go to school for two weeks?

Remember yesterday when you had to wear those funny clothes for initiation, so you almost didn't join?

Remember yesterday when you couldn't decide which college to go to, but you finally got accepted?

Remember yesterday when you worked all night on a term paper that you had all semester to work on?

Remember yesterday when you went to the Senior Prom and you had the best time of your life?

Remember yesterday when you graduated and all this seemed to obtain a meaning?

Think of Tomorrow

Think of tomorrow when it will be your first day in college and you'll think you're a big hot shot.

Think of tomorrow when what you learned in swimming class may help you to save another person's life.

Think of tomorrow when your singing ability may make your profession.

Think of tomorrow when your poetry may win you world wide acclaim.

Think of tomorrow when you'll walk down the aisle and say the words, "I do."

Think of tomorrow when you'll teach your children how to drive.

Think of tomorrow when the punishment your parents gave you taught you how to be a better person.

Think of tomorrow when you continue to stand up for what you believe, and people continue to admire you.

Think of tomorrow when you use the psychology you learned in class to talk your employer into giving you a raise.

Think of tomorrow when our old football heroes become professionals.

Think of tomorrow when you'll use your leadership ability to better the world.

Think of tomorrow when you'll go on strike and prove that you really mean business, too.

Think of tomorrow when you'll have to go through initiation to join a sorority.

Think of tomorrow when you'll meet your new roommate at college.

Think of tomorrow when you'll be required to type a term paper and you never learned how to type.

Think of tomorrow when you'll go to your Senior Formal in college and have a better time than you did in high school.

Think of tomorrow when you'll graduate from college and see that all this seemed to obtain a meaning

Yesterday is over.

There's nothing we can do about it now.

Tomorrow is yet to come.

Make the most of it.

Activities

This section of the yearbook is especially dedicated to Police Officer Jack Hannigan, whose face is a familiar one to the Lancers. He is found at more sports events and school-sponsored activities than any one student has time for. If the student body at Lincoln attended half as many of the activities as Jack Hannigan has, we'd have the best supported school in Denver with the greatest school spirit. We thank him so much for supporting our school through all these years.

We would also like to express our appreciation to Mary Ann Wiemar, Student Activities Director, and the sponsors for the various clubs. We know that it takes a lot of time and planning to organize these activities, and we are all extremely grateful to them.

Last, but not least, we thank Sue Gillespie, Treasurer, for all her time and trouble in helping the clubs take care of their finances.

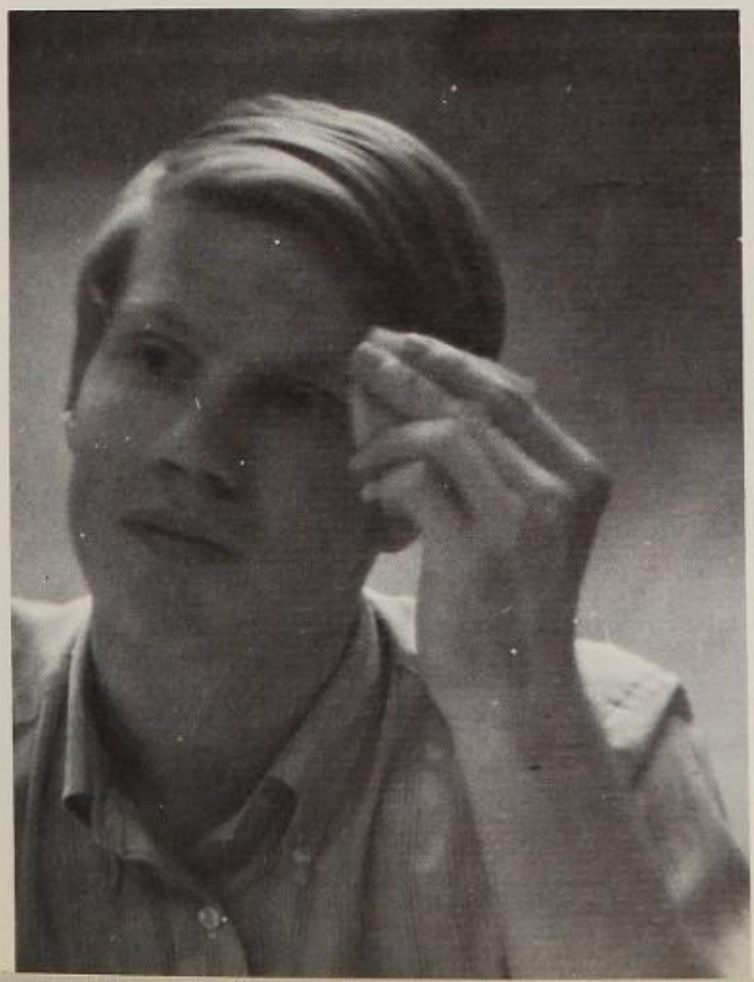
President's Hall of Fame

Top Row left to right: Debbie Van Horn, Mike Lopiccolo, Kris Stone, Perry Israel, Kelsey Cook, Margaret Montana. **Middle Row left to right:** Ann Romane, Carole Bayles, Ruth Cullor. **Bottom Row:** Chris Mees, Steve Mendez, Tom Kennedy.

This place of honor has been reserved for those students who have excelled in leadership, citizenship, or athletics during their three years at Lincoln. We show them our appreciation by giving them the recognition they deserve in the President's Hall of Fame. These are the leaders who worked for us, represented us, and spoke for us, but still were always ready to follow. They are all a part of us, yet they are apart; aiming for their own goals. These are the leaders of yesterday; the hopes of tomorrow. It is the character of the students which make a school great, and it's because of these students, and many like them, that Lincoln is a great school.

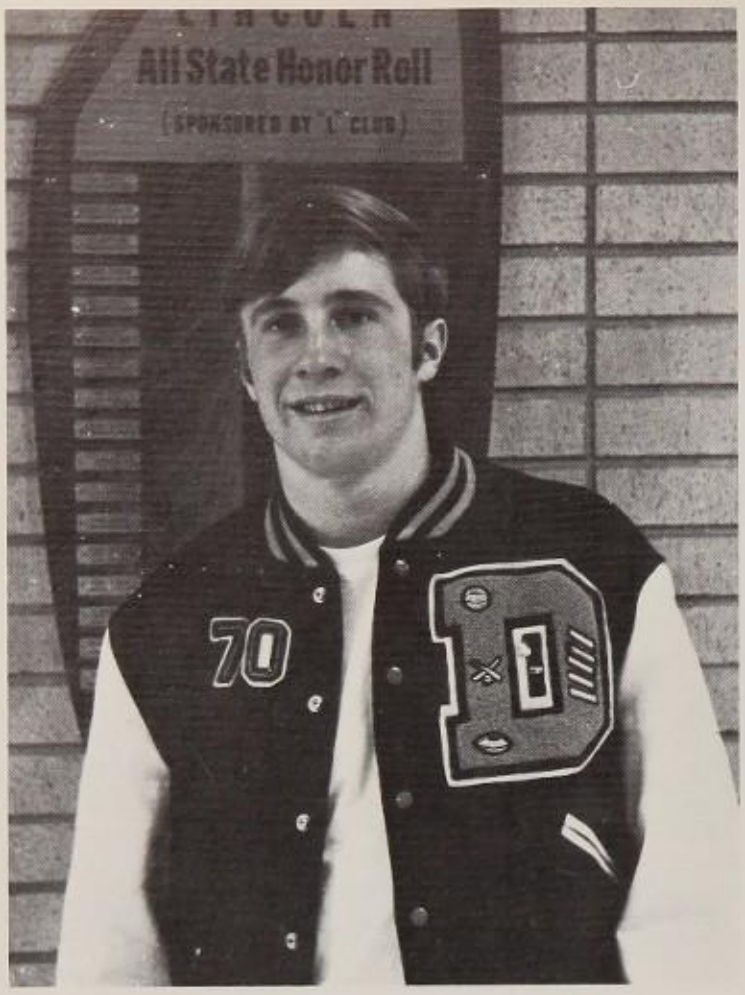
Ruth Cullor began her participation in Lincoln activities when she served on Sophomore Class Council. As a junior she became an Honorary Cadet, which gave her the opportunity to join the Girls' Rifle Team. Along with the other three team members, Lincoln has received the City and State Championship for two years. Also as a junior, **Ruth** was in Delegate Assembly. In her senior year she obtained the rank of Captain in Honorary Cadets, is a representative in Student Council, and was nominated for the DAR Citizenship Award. While with Student Council, **Ruth** attended the State Student Council Convention in Fort Collins. Outside of school, **Ruth** is active in her church youth group.

Perry Israel's main interest is in the English field. He is in the speech club and also performs in many school drama productions. Writing is going to be his career, which he started by writing for Lincoln's literary magazine. **Perry** is Treasurer of Chess Club, being a member for three years, President of Thespians, a member of Limelighters for three years, and a member of National Forensic League for two years. Next summer he plans to go to Germany having studied German at the University of Kansas in 1968. Presently, **Perry** is the President of Explorer, Post 14. His highest award in Scouts is the Eagle Award.



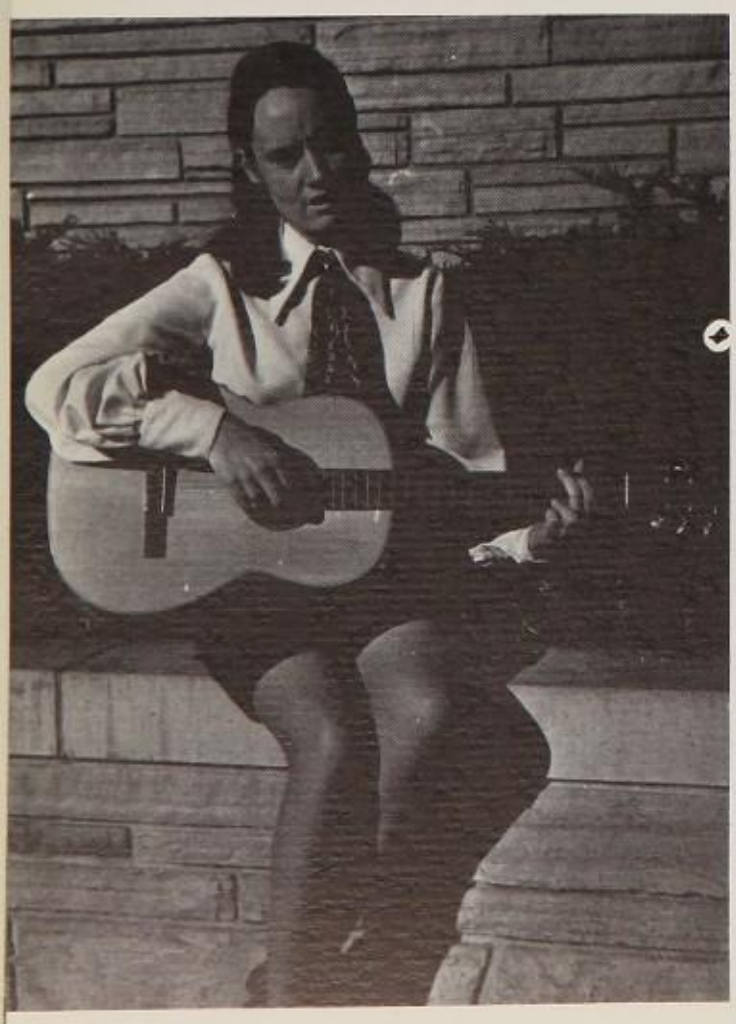
Kris Stone has been active at Lincoln all three years. She has been in the International Relations Club and on Class Council all three years. As a junior **Kris** was elected to National Honor Society, of which she is now Vice President. As a junior she was honored to be a Junior Escort in the 1969 graduation. As a senior she is a tutor for a nine-year-old boy in conjunction with a tutoring program set up by the Senior Class. In church activities she plays the piano, sings in the choir, and is President of her youth group.

Debbie Van Horn, after being Head Girl at Kunsmiller Junior High, served as Sophomore Class President. As a junior and senior, she was still active as a class council member. The achievement she is probably most proud of is being chairman of the Tutoring program. She has received many citizenship awards, including the DAR award in junior high. **Debbie's** great singing ability gave her a place in the Concert Choir, and also gives her a hobby of singing and playing the guitar. Because of her great citizenship and her leadership ability, **Debbie** attended Girls' State. She was also a Junior Escort for the 1969 graduation.



Because of **Steve Mendez's** tremendous athletic ability he has been acknowledged throughout the state. His greatest recognition was being chosen for the All-State football team. Along with this, he was chosen for the All-City and All-Metro teams. Besides football, he is also active in baseball and basketball. So far, **Steve** has lettered five times with the possibility of lettering two more times. He has been a member in "L" Club, also.

Carole Bayles has headed her activities at Lincoln with her participation in Honorary Cadets. She was promoted to second in command with a rank of Major. She has been a member of the Honorary Cadet Rifle team for two years. Both years the team has won the City and State Championship. This year in a competition between boys and girls all over the state, **Carole** received a Third Place individual award. For three years she has been in Delegate Assembly and on the Honor Roll. Also, **Carole** was chosen as one of this year's President's Lady Attendants. She also reigned as queen of this year's Senior Prom.



Music has been **Kelsey Cook's** greatest accomplishment. He has been in City-wide Band and Orchestra all three years. For two years he has been in the All-State Band and Orchestra. In his senior year he has served as Drum Major for the Lincoln Band. One summer he attended the National Music Camp in Interlochen, Michigan. In the summer before his senior year, he attended Boys' State. **Kelsey** has been nominated for several scholarships including National Merit, Bausch and Lomb Science, National Honor Society, and Soroptimist Youth Citizenship Award. After being in Chess Club and Touchstone Club for three years, he now serves as President of both and Secretary-Treasurer of National Honor Society.

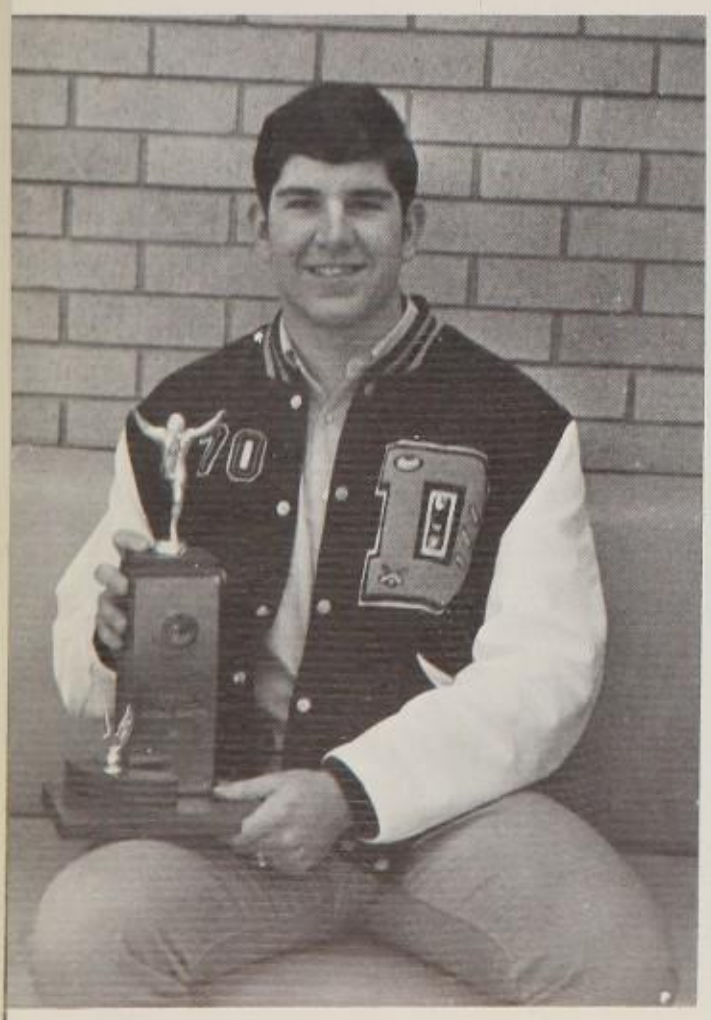
Margaret Montana came to Lincoln after serving as Head Girl at Kepner Junior High. She used this leadership knowledge to help better the class of '70 as its Senior Class President. After being selected to attend Girls' State, **Margaret** had to give up this honor in order to become an American Field Service Exchange Student in Malaysia. The knowledge and experience she received there is probably her greatest memory. As for clubs, she is President of International Relations Club, Vice-President of National Forensic League, a member of National Honor Society, and Limelighters. In the community she has served as a Red Cross Volunteer. Another great honor which **Margaret** received was the DAR award for outstanding citizenship.

Chris Mees has shown his greatest ability in the sport of football. He lettered both in his junior and senior year. This year he was on the kick-off team, and a first string defensive tackle. In his senior year, he served as Vice-President of the "L" Club, of which he has been a member for two years. For three years he has been a member of Chess Club. Last summer **Chris** attended Boys' State, along with nine other boys from Lincoln. Outside of school, he is a member of his church youth group.

While at Lincoln, **Mike Lopiccolo** has excelled in many areas. He has been involved in the three major sports, football, basketball, and baseball. Since he was a sophomore, he has lettered in all three. He was elected as the defensive captain of the football team. This year he was selected to the All-City offensive and defensive teams. As for leadership, **Mike** attended Boys' State last summer and is President of "L" Club. Scholastically, **Mike** was nominated to National Honor Society for two years, and served as a Junior Page in the 1969 graduation.

As a sophomore, **Ann Romane** participated in Red Cross, Caduceus, and GRA. She served as secretary of Red Cross, and Junior Class Council in her junior year along with becoming an Honorary Cadet, a member of National Honor Society (two years) and being selected to attend Girls' State. As a senior, **Ann** was promoted to a Major in the Honorary Cadets, became one of the Presidents' co-editors, and was nominated for the DAR award.

Tom Kennedy has been involved in Lincoln activities since his sophomore year when he was in the Bowling Club, and on the Track team. As a junior he was in National Honor Society (two years) and maintains a grade point average of 3.94. He was a member of Key Club, and a Junior Page in the 1969 graduation. That summer he attended Boys' State. As a senior he was in Student Council, Senior Class Council, and Octagon Club. He is also active in his church youth group.



Wait a Minute.
But the minute stretches into hours.
And the hours into days
And months and years.
Man is born to wait it seems.
Waiting until Dad comes home from work,
Waiting to be six and go to school,
Waiting to play at recess,
Waiting until vacation comes,
Waiting for Christmas,
Waiting to go visit Grandma,
Waiting to enter high school,
Waiting to drive the car,
Waiting for the Valentine formal,
Waiting to go to college,
Waiting for the war to end.
Waiting to be asked or
Waiting to ask the loveliest of all questions.
Waiting to get married;
Waiting to get that new job,
Waiting for that new car, new house, lawn,
Waiting for the baby.
Waiting to get a promotion, to move,
Waiting to get well.
Waiting for a vacation,
Waiting for the kids to come home.
Waiting for the kids to come visit,
Waiting for the kids to write,
Waiting to retire,
Waiting to die,
Waiting.

This is it. As you can see, a tremendous amount of work has gone into it. The staff believes it is a good book. We sincerely hope you enjoy this year's annual, we're very proud of it.

The preceding 232 pages were created to make you remember yesterday and think of tomorrow, but above all were created so you would never forget, "Great Ol' Abe."
